Join us October 17, 2026 in honoring the life of Antonio Angel Ortiz through adventure, community, remembrance, and hope.

Ride for RMC is more than a Jeep convoy. It's a day that brings together families, Jeep enthusiasts, and outdoor lovers to raise awareness of renal medullary carcinoma (RMC).

The scenic memorial convoy begins in Westfield, MA and concludes at Strathmore Park in Russell, MA. The event features awards, food, music, vendors, and the Adventure Auction.

Your sponsorship helps fund RMC awareness, education, patient support, future research, and the mission of the Tactical Tone Memorial Foundation.
